Burlington Travel Advisory

From the Oracle offices at Network Drive it might take you between 35 to 50 minutes to the Boston Logan Airport depending on traffic. From the Van Der Graaff locations between 25 to 45 minutes. You should always allow plenty of time specially during rush hour or bad weather as it could take a lot longer to get to the airport.

About Oracle

We are very happy to provide reliable transportation to and from Boston Logan Airport to all employees and visitors of the Oracle offices located in the Burlington Area
