Dennis is a town in Barnstable County, MA, located near the center of Cape Cod.

First settled in 1639, by John Crowe (later Crowell), Antony Thacher and Thomas Howes, as part of the town of Yarmouth, Dennis was officially separated and incorporated in 1793. It was named after resident minister, Rev. Josiah Dennis. Seafaring became the town's major industry in its early history, centered around the Shiverick Shipyard, due to the fact that there was not enough farmland.

This currently popular seaside resort town is notable for its stately colonial mansions along the

northern Cape Cod Bay coastline, along with its beautiful scenery and warm-water beaches along the southern Nantucket Sound.

The Cape Playhouse, in northern Dennis, is one of the oldest, and among the best known, summer theatres in the United States. The actress Bette Davis was "discovered" while working there as an usher, and other famous Dennis residents include the author Mary Higgins Clark and actress Amy Jo Johnson, who grew up in the area.
